

CAPABILITY STATEMENT

ABOUT US

Apex Risk Mitigation utilizes a team of highly trained individuals with unique skill sets for executive protection, armed and unarmed services, focused on advanced threat detection, effective decision making and quick response time for government, other government agency and private sector non-governmental organization for both short-term and long-term operations. As security threats constantly evolve, our team stays up to date by regularly training in the latest security, surveillance, and counter surveillance techniques and equipment. Apex Risk Mitigation has been built on strong client relationships, tailoring our services to meet our customers' specific needs.

Past Performance

Professional Services

Worldwide Protective Services (WPS) Program:

Planned and coordinated MRAP missions to remote sites for the United States Army Corp of engineers and State Department for USACE inspections in Kandahar Afghanistan 2015.

Federal Emergency Regulatory Commission:

Conducted, planned, and trained personnel to facilitate natural gas pipeline security as a mobile and static element(s) in Chester Pennsylvania 2019.

Border Wall Operations and Escort Protection:

Close escort protection in Laredo, El Paso, and Eagle Pass Texas, Nogales Arizona, and El Centro Sector California 2019.

Crisis Management:

Coordinated static and mobile security at multiple staged sites for Florida Power and Light in Southwest Florida 2020.

Executive Protection:

Coordinated and conducted static and mobile security protection for multiple Congressmen, Senators, political and high-profile clients throughout CONUS and OCONUS 2022.

Natural Disaster Relief:

Provided pre-incident and post-incident mobile and static security and recovery for Hurricane Harvey, Dorian, Irma and Ian in Louisiana, North Carolina, and Florida in 2017, 2019 and 2022.

Labor and Strike Response:

Provided executive escort and site security for U.S. Department of Interior Bureau of Land Management and the U.S. Department of Agriculture Forest Service Union strike in Utah 2022.
